

River Falls FFA Alumni

PO Box 857 • River Falls, WI 54022 • rf.ffa.alumni@gmail.com

In 2021 the alumni funded a total of \$5,500 in scholarships to five graduating high school students and additionally a memorial scholarship in honor of one of our past members for \$1,000 at UW-RF. We were able to make the needed improvements to the greenhouse. This included mechanical upgrades with fans, controls and misting watering system. A water filtration system was also added to remove the additives in city water. The education teaching land saw major changes with clearing of an area to start an orchard, native pollinators and additional fruit and vegetable garden space.

The alumni helped the community with a donation to the fire department of a grain removal auger. This was a final piece for the grain evacuation equipment they needed. The other pieces of the evacuation equipment were funded by the students a few years prior. We even got to help simulate a rescue and training exercise.

In 2022 the FFA and Alumni want to focus on further expanding the educational land. This will include addition of a shed, water system, and gardening tools. We also want to increase the amount of funds for scholarships as they make a direct impact on student's education.

We are planning for the **2022 Smoke N' Thunder by The Kinni NTPA Truck and Tractor pull**. We would appreciate your support of this fundraiser and FFA!

For more information on the FFA Alumni please check out our webpage at RiverFallsFFAAlumni.org & like our Facebook pages @RiverFallsFFAAlumni and @FFAPulling

Our Mission:

The River Falls FFA Alumni, through leadership and guidance, promotes Agriculture and supports Ag Education in the local FFA chapter, school district and community.

Smoke N' Thunder by the Kinni
